Questions/clarification or approved equal: Spec states: Q'Straint Q-8300-A1 slide and click These do not meet the new WC 18 standard. If you are not already familiar with WC 18, this is currently a voluntary standard, but where Q'Straint strongly believes the industry trend to be overwhelmingly WC18 in the next 9 to 18 months. See the following pages for the WC18 restraints. We encourage you to contact Q'Straint for more details and a more thorough understanding if needed. Please confirm if you require the WC 18 restraints, or stay with the non WC18.
