

# JOB SHUTTLES

Specialized Service

A STARS (Saginaw Transit Area Regional Services) job shuttle can help your staff to work reliably and on time.

- Lower turnover
- Decreased training costs
- Access to additional potential employees
- increased employee reliability
- Lower employee stress
- Lower transportation costs to employees

## Job shuttles can...

- Be customized to your needs
- Be financed by the employer, employee or some combination of both
- Cross county lines
- Be scheduled 24/7
- Be serviced by a single van or several large buses

Contact Jamie Forbes, Director of Outreach and Program Development to get more information and to design a program that fits your situation.
